Term 3 Exam 3 02 Art & Design		

Use the PgDn and PgUp Keys to Navigate Through Records

Refresh Form Data	Return to MYP Subject Selection For Year 2
-------------------	--

The calculation has included Term 3 Art & Design when it should have been ignored as for previous Forms. I am using the same procedure for every Form. I load the Template then install the Query, which is created just for the Form. Why am I getting this error?
