Re: Notification of Funds Available - NOFA for Project TEST 1

Dear Chair Person,

The Indian Health Service (IHS) has allocated NOFA for Project TEST 1 Program funding for the planning, design, and construction phase of the following project:

Project Title: Project TEST 1
Location: Eagle Butte, SD
Amount: \$1,111,111.00
Scope: Scope for Project TEST 1

The Cheyenne River Sioux Tribe has two (2) options available to accomplish the scope of the work as follows:

1. 638 Contract - In accordance with provisions of Public Law 93-638, the Indian Self-Determination Act Amendments of 1994. The amendments require the benefiting tribe to be notified about the allocation of funding for the project.
2. Federal Acquisition - The work could be accomplished through the execution of a federal acquisition.

Please indicate your preference by selecting the option of your choice in the appropriate space below and return this letter via email and pdf attachment to our office within 30 days of the date of this letter. If the Tribe is interested in pursuing a 638 contract, we are available to provide assistance in preparing a contract proposal. Upon receipt of your notice of intent to contract we will contact you to begin development of a contract proposal and a schedule for negotiations. Alternatively, IHS will proceed with a federal acquisition for this project if we do not receive a response within 30 days of the date of this letter.

If you need additional information or have any questions, please contact the Great Plains Area Project Officer, Dayton Newbrough (605-355-2250) or Ben Ganje (605-226-7510), Division of Facilities Management Director. IHS looks forward to continuing our cooperative working relationship with you and your staff in accomplishing this project.

Sincerely,

James Driving Hawk
Area Director
