What I really want is this ...

Avengers

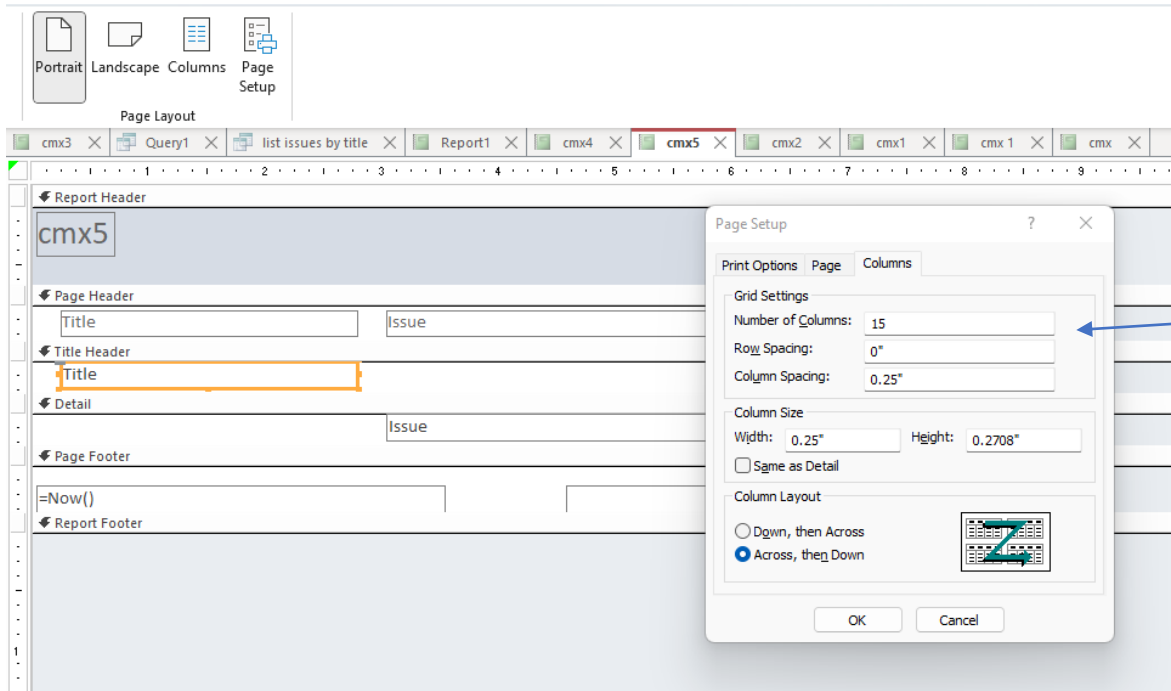

103 108 121 134 154 155 156
162 167 184 189 190 191 202
206 209 211 212

Fantastic Four

111 113 114 115 117 120 121
122 123 127 129 130 134 135
137

X-Men

109 115 117 118 119 125 125
127 128 129

Doing this ...

... gives me this. Notice how titles are mixed into the rows of issues.

Page 1 of 12

Title	Issue														
Arak	1	10	11	12	13	14	15	16	17						
	21	22	23	24	25	26	27	28	3	30	31				
	5	50	Ariane & BluebeardArion										1		
	3	4	Arion (V II, 1992) Armageddon Factor Astonishing Tales (Ka-Zar)												
	13	19	3	Astro Boy	Atari Force	Atomic Mouse									
Avengers		110	142	166	167	170	174	177	178	180	187				
	197	199	200	201	202	203	204	205	206	207	208				

This is what I really want

Avengers

103 108 121 134 154 155 156
162 167 184 189 190 191 202
206 209 211 212

Fantastic Four

111 113 114 115 117 120 121
122 123 127 129 130 134 135
137

X-Men

109 115 117 118 119 125 125
127 128 129

It would be great if
there is a way to do
this without code
