

Result rules

1. When a startno have got at least 3 judges (majority) when counting they should got a rank
2. If two startno have majority in the same column, the startno with highest count will be placed first
3. If they have the same count the startno with the lowest sum of the three lowest judges will be first.
4. If point three is equal the value of the next judge will be added to the sum and so on
5. If you can' t split them they will get the sams rank.
- 6.

	Judge					Counting					Plac
Startno	A	B	C	D	E	1	1-2	1-3	1-4	1-5	
101	1	2	1	4	4	2	3	--	--	--	2
102	2	3	2	3	3	0	2	5	--	--	3
103	3	1	3	1	1	3	--	--	--	--	1
104	4	4	4	2	2	0	2	2	5	--	4
